

Rotaract Club of VSPM Physios

ANTI DIABETIC DRIVE

11th December 2019

In the month of December the enthusiastic and all zealous Rotaractors of vspm physios enunciated and conducted their very first event which included patients, teachers and students of their college -

Anti diabetic drive

The main motive of conducting this drive was to provide the teachers, patients and students with a free diabetic check-up and other checkups at their minimal costs and also to spread awareness among them.

The program started around 11:15 am and was wound up by 2:00 pm. Nearly 50+ check-ups were done.

In short it was a very helpful program for the patients and a great drive to start with as rotaractors.

PRESIDENT – Rtr. VIJAYSHREE JANGADE
