

Rotaract Club of VSPM Physios

KIDATHONE

19th January 2020

*"FINISHING A MARATHON IS A STATE OF MIND
THAT SAYS ANYTHING IS POSSIBLE."*

Rotaractors of vspcm college of physiotherapy took part in 'kidathon' (marathon race for kids) with great enthusiasm in the very first month of 2020. Nearly 15 rotaractors took part in this event.

Even in the bitterly cold morning of January the members of the club were keen enough to gather at Tirpude college at 6:00 am and report the authorities. After which they were sent at nearly 5 different water stations to provide the participating kids with water bottles and also to cheer them up on their way to finish line.

Rotaractors were quite appreciated for their helpful gestures by the event organizers as they kept the ball rolling even in rain.

All together it was a great event for the club members to take part in as they celebrated the new year season.
