

Rotaract Club of VSPM Physios

WINTER CLOTHING DRIVE

1st- 15th December, 2018

"We make a living by what we get, but we make a life by what we give."- Winston Churchill

For the month of December, the Board of the Rotaract Club of VSPM Physios decided to conduct a winter clothing drive for the unfortunate people who cannot afford warm clothes for the cold winter season. Being members of such an organization, it is our duty to serve the community, and so this drive was launched on 1st December, 2018.

Posters were put up in our college and the students as well as the teachers were encouraged to donate their old winter clothing. Two big boxes were kept in the college to collect all the clothes at one spot. This was continued for 2 weeks and a big pile of clothes was collected, sorted and laundried.

The empathy shown by the students and members reflected very well and a collection of 35 winter jackets, shawls and blankets was done. These were then distributed at a slum located near Orange City Hospital and even the workers within the college campus. The members went to the slums and distributed these clothes to the less fortunate people. The gesture was greatly appreciated by the recipients who thanked us for our generosity. After all, it's the blessings that count, and this way the Winter Distribution Drive turned out to be a great success.
