## 13.08.20- Organ donation.

### World Organ Donation Day

ORGAN  
DONATION DAY

Organ Donation Day is observed on August 13<sup>th</sup> every year. Organ Donation Day strives to motivate people to donate their healthy and precious organs during life and after death to save lives. Organ Donation Day aims to create awareness about the huge population that dies due to organ failure in India. National Health Portal reported that 500,000 people in India die due to the non-availability of organs.

● Recording

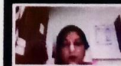

### Who can be a Donor?(Cont..)

#### .2. Deceased Donor:

- Anyone, regardless of age, race or gender can become an organ and tissue donor after his or her Death (**Brainstem/Cardiac**).
- Consent of near relative or a person in lawful possession of the dead body is required.
- Medical suitability for donation is determined at the time of death

● Recording
