RYLA turned out to be a huge success amongst the club's members, who were thrilled to be a part of the event. A lot of them attended a Rotaract event for the first time. To ensure that the members truly felt empowered, the President chose a few active members to come up at the podium and give the introduction for the speakers. This attempt and the members' efforts were praised by one and all, including the RCNV president, Rtn. Rajiv Bahl, who was present at the occasion.

The event went about smoothly, and also marked the release of Rotaract's 4 Way Test replicas. The official certificate of the club's establishment was handed over to the President, Rtr. Anuradha Punyani and Vice President, Rtr. Mukta Moharil.

Snacks and refreshments were provided to all participants. Teachers of VSPM's College of Physiotherapy also made their valuable presence at the event and were very encouraging and helpful. Non-teaching staff was truly cooperative in making the event, the fantastic self that it turned out to be, and as a token of gratitude, snacks were distributed amongst all the staff at the college.
