"Photography is an art of observation.It has little to do with the things you see and everything to do with the way you see them"

Owing to this lockdown,so many of us have found the hidden talent of cooking as well as capturing the delicious dishes we prepared.Also so many of us have an eye for capturing the stories we find around us,that not everybody can see.

So,the ROTARACT CLUB OF VSPM PHYSIOS brought up a" PHOTOGRAPHY CONTEST".The contest included 2categories,which were-

- Food Photography
- Street Photography

A minimal entry fee of ₹30 was charged to the participants for each category and ₹50 if the participants wanted to take part in both the categories.

Judges involved for each category were-

- for food photography-Mr.Niraj Khapre
- for street photography-Miss.Manshi Jaiswal

There were 5 entries for food photography and 11 entries for street photography.

The results were announced on 31-12-2020

Talking about the winners ,the winners were-
